GRANGE MEETING HELD

A recent meeting of the Marion Grange was called to order by Ruth Wood, master. Escorted to the master's right were Clayton Westgate of Sippican Pomona, June Westgate, master of Acushnet Grange; and Robert Ouellette, master of Rochester Grange.

Reports of the executive committee were read by Preston Alley. It was announced that the fall flower show would be held at the Bristol County Agricultural School November 9, 10 and 11.

A scholarship was presented by John Bower, chairman Youth Committee, to Glen Wood who was recently named outstanding boy of the year by the Grange State Youth Committee.

John Bower, assisted by Clayton Westgate, marshal; Lucille Ouellette, emblem bearer; Donna Westgate, regalia bearer; and June Westgate, pianist, installed the following: Arletta Bean, ceres; J. Newton Barrows, gatekeeper; and Evelyn Barrows, pianist.

The lecturer's march was won by Charles Blank of Acushnet and Ennis Newell of Marion. The Marion Grange has lost the Sputnik to Acushnet Grange but hope to get it back real soon. The Grange having the largest number of visitors gets to keep the Sputnik.

A penny game was conducted by the lecturer, Mary Messier, assisted by 20 members and guests present. A pantomime, "Hello Mudder,

Woman's Club and a retired teacher. Members may bring guests.

Mrs. Ethel Gary, club president, recently received literature from the First Distric Director, Mrs. Charles Dean of Middleboro, with regard to the First District Conference in Middleboro on November 20 at the Cabot Club. This will be made available to members at this meeting and it is hoped that there will be a good representation of Rochester members at this conference. Mrs. Gary plans to make arrangements for an exhibit of the arts and crafts of club members for this event. Members are also reminded that the Second Club Institute will be held next Thursday, November 7, at the Y. W. C. A in Boston.

A committee will be named by the president to serve on the day that the mobile x-ray unit conducted by the Plymouth County Health Association will be at the club house. This is under the sponsorship of the local Board of Health and all adults over 18 may take advantage of this visit.

fullback Andrews charged in 3 plays to a first down on the 4. Then in two more plays Andrews plowed to the 1. Quarterback Dorr then sneaked up and over the line for the score. Mello kicked the extra point and the OR team led by 7 points.

The crowd at the Cranberry Bowl, which was jammed in spite of the threatening weather, was treated to a game of first rank defensive football. The OR team was electricified, charged with determination as they battled to stay on top. Time and again the Vikings threatened.

In the third period, Wareham's Britto eluded 2 OR tacklers to gallop 16 yards and cross the goalline. This fine run was wiped out on a clipping penalty. The Bulldog line play was solid as they contained one of the finest collection of running backs in the league. The OR pass defense was superb as they covered the receivers and batted down the football.

It was a team effort. Backs Andrews, Garcia and Dorr all had a great afternoon and with them the entire team played as they never have before. The Cranberry bowl was awarded to the team at the Cranberry Bowl dance Saturday night. Miss Sheila Parker was crowned Cranberry Bowl Football Queen. Miss Parker, a junior at Wareham High School, was crowned by Miss Deborah Macy, Miss Wareham of 1963.

OPEN LETTER TO MATTAPOISETT RESIDENTS

Dear Residents:

This past summer I had the privilege of working with the Mattapoisett Little League. While working with the boys, coaches, and parents, I noticed that the playing facilities were less than adequate. Not only were they unsafe for those engaged in the games, but also for those using other playground facilities.

Knowing of this lack of proper playing conditions, we decided to approach the public with a proposal to build a little league ball park. We had two open meetings and several of the town's citizens attended.

We are grateful that the School Committee has allowed the use of the school field for our ball games, but we can not expect them to maintain this field for our convenience. It is time for us to take on this job of finding adequate playing facilities for our children.

In forming this Mattapoisett Little League Association, we took into consideration the budget available to the sports committee. We felt that the budget of $500 was inadequate to operate all the sports activities of the town.

We also felt that it would be unfair to approach the Selectmen and ask for a little league ball park, since it would cause a rise in the tax rate. We felt that this would be unfair to the citizens.

Mattapoisett is growing each day. More children are being brought into the town. More boys want to play baseball. The sports program as it is now set up is inadequate to take care of these boys.

We have formed the Mattapoisett Little League Association for the purpose of obtaining land to build and maintain a little league ball park and to give every child the opportunity to learn team

play and sportsmanship.

We have nothing to gain through this organization except to see our children play on a decent field. This is a non-profit, non-political organization. We are doing this for our children

The temporary board of directors are: Stephan Almeida, chairman; Mrs. Henry Mogilni, secretary; Mr. Oliver LaFrance, treasurer; Mr. Antonio Guilherme, Mr. Hal Peterson, Mr. John DeMello, Mrs. John DeMello and Mr. Charles Smith. These people were elected as temporary officers until January. In January, officers will be elected for a period of one year.

We would like to state that we have not solicited any money from anyone. Nor, are we at present soliciting money. We have received donations from the Mattapoisett Greens Little League team, Mr. and Mrs. Henry Coker, Greater New Bedford Little League and the South End Jr. Pony League of New Bedford, but these were not solicited.

The organization which we have formed (Mattapoisett Little League Association) welcomes every person in Mattapoisett to be a member. You do not have to have any children of little league age to be a member. You do not have to have children at all to be a member. Our only requirement is that you want to help children.

Most people realize the need of an adequate, safe ball park for our children. The question is, are the residents of Mattapoisett willing to do this for their children?

We feel that they are. Now it is up to you to prove that we are right. Let's get this park for children!

Sincerely yours,
Stephen Almeida,
Chairman M.L.L.A.

VETERANS' DAY

Veterans' Day is really our heroes' Day!

In paying homage to those men who died during the dark days of our last three wars, we cannot help but realize the great debt we owe for their sacrifices. It is a debt we can never pay in full. However, it is a debt on which regular payments must be made -- payments that, in turn, will strengthen us -- bring us closer together and bind us in that brotherhood of love for our country.

Let's face it!. The hard, cold-blooded facts are that we have failed to hold on to the prize so dearly won,

The American Legion which has always been realistic about national defense requirements, feels that the only thing that can be done sensibly is to acquire an adequate National Preparedness. The only we we can keep faith with the uncounted thousands of patriots who died in all our wars, to preserve America as a land of the free, is to make America strong.
